

GRRRRRR...I AM WILD ABOUT BOOKS!

Name _____

Carpe diem! You are challenged to read 50 books this wonderful summer...this is not optional. For chapter books, 25 pages equals one book! If you are a student entering kindergarten, you may have books read to you. Start with number 1 and record your book title on this page. When you have devoured all 50 books, there is a bit more to howl about – go wild and do 10 good deeds to show good character and scrawl those in the last column!
